Arizona Golf Classic (AGC) is pleased to announce our 8th Charity Golf Tournament, for this event and we are looking to generate \$20,000+! Just like our previous tournaments, the foursomes will be composed of cannabis industry executives from the local area and nationwide. AGC has searched high and low to bring together the biggest list of who's-who in the Arizona cannabis industry and from other states. After the tournament network and have drinks with all of the celebrity athletes, players, sponsors, and other cannabis executives who were unable to make it on the green at our Industry Networking Day that will be taking place during and after the tournament. No matter the segment of the industry you focus on, we'll have decision-makers and valuable contacts there for you to meet. We will see you on the course!

## "COOL DOWN COMMAND CENTER"

### Water Cooler Sponsor

Arizona sun + 27 holes = people searching for relief. You sponsor the hydration + chill zone where players regroup, refresh, and say "wow I needed this." Think shade, cold towels, hydration, misters/ fans, and recovery vibes.

- Naming rights: "Cool-Down Command Center powered by [Your Brand]"
- Brand signage at the station + branded table presence
- Product sampling / promo materials placement (where allowed)
- Prime foot traffic: everyone stops here — especially the winners
- Photo moments because it's the most appreciated stop on the course

#### Why it works:

- You become the hero of the back nine. That's not marketing — that's legend status.
- Sponsor can provide swag, samples, or prizes on-site
- Includes 1 foursome & 4 passes to the Industry Executive Mixer the night before
- Your company name or logo on AGC website and emails from now until the event and the day of event

- Optional upgrade to a Hole sponsorship (\$1,000)
- Includes 1 foursome & 4 passes to the Industry mixer the night before

- Full zone takeover: signage + branded challenge rules board + sponsor presence at the station
- Prize integration: "Win [Your Brand]'s Bucket Challenge Prize Pack" (and yes, people will chase it)
- Shoutouts + hype: on-mic mentions and "go try the Bucket Challenge" callouts
- Content candy: this station creates repeatable videos (miss → miss → bucket → chaos) Why it works:
- It's the perfect blend of competition + comedy + bragging rights — and it pulls traffic like a magnet because everyone thinks, "I can definitely make that." (They can't. That's what makes it beautiful.)

## AGCYOGA ON THE GREEN By Sarina Gomez

Wellness is the conscious development of the whole self – an active process of becoming aware of and making choices towards a healthy and fulfilling life. It is more than being free from illness, it is a dynamic process of change and growth. It determines how we ultimately look, feel, interact with others, and thrive in life and work – the cornerstone of quality of life. The main aim of this special day is to pause and think, to recognize the value of our lives, to be free from the stress of everyday city life and bad habits, to make peace with ourselves and to raise awareness about living well and increase motivation for more than just one day of the year. Come enjoy a nice therapeutical massage, yoga, reiki or just enjoy the nice Arizona Sun.

Sarina has been teaching since 2005, but movement has been part of my life for as long as I can remember. I started teaching dance young and have never stopped. I've studied everywhere from the Valley and Chicago to Indonesia, France, and Amsterdam, and those experiences shaped how I teach today. After dancing professionally for two decades, I truly believe movement is medicine —it's how I connect, heal, and inspire others.

Come join 250-300 other cannabis enthusiasts and enjoy a nice therapeutical massage, yoga, reiki or just enjoy the nice December Arizona Sun.
